Neuropalliative
Rehabilitation**

International Conference

Long-term (Neurological) End of Life Care Conference

**Royal Hospital for Neuro-disability, London
25 February 2010**

This conference will explore long-term end of life neurological care addressing national and international nursing issues. The conference will discuss contemporary UK non-malignant end of life care issues for nurses and healthcare assistants/ support workers working in long-term care settings and will also address policy and international developments in end of life care.

Cost per delegate £95.00 + VAT (Total Cost £109.25)
